19/13 Matters Arising

The Board was advised that [Redacted, Section 40] had received the data but that it was not yet a

- The [Redacted, Section 40] would be invited to the information day organised for all users on 27 June 2019
- With regard to the Health and Life Sciences Project and the BRU, it was not anticipated that the BRU would be handed over in January 2020, following which there would be a deep
